

Plan Now. Preserve Savings. Build When Ready.

MOVE SOLAR NOW helps nonprofits, faith organizations, multifamily sites, and small businesses understand their solar options before the **July 4, 2026** Safe Harbor deadline.

Plan Now

Start with a free site review and understand whether your location may qualify.

Preserve Savings

Learn how current solar incentives may reduce project costs.

Build When Ready

Safe Harbor may allow your project to move forward on a longer timeline.

Check Your Location

Free review.
No commitment.

Scan to Start

Act now to protect your access to today's solar incentives.

Plan today. Preserve savings. Build when ready.

A Makello campaign organized and led by C4GS with technical, outreach, and community partners.

Submitting information does not create a commitment. Incentive eligibility, project savings, and Safe Harbor status must be confirmed through technical and tax review.
C4GS and partners are not tax advisors.
